Learn About FGC

Toby Transcript for Module 1 Learn About FGC

Hi, it is your friend Toby. Welcome to your first module, Learn About FGC. You will learn about the college, accreditation and important information found on the college website. Get started by reading the learning activities in Module 1.

Introduction

The mission of Florida Gateway College is to provide superior instruction, nurture individual development, and enrich the community college through quality higher education programs and lifelong learning opportunities.

The college has established a strong tradition of providing high quality, postsecondary educational opportunities to the citizens of North Florida. What began as a school of Forestry in 1947, has grown to be a comprehensive, public community college serving more than 7,000 students a year.

The college's district encompasses five North Florida counties: Baker, Columbia, Dixie, Gilchrist, and Union. The 2,683 square mile district is an area twice the size of Rhode Island
