Additional Information

Is your nursing program accredited by the Commission on Collegiate Nursing Education?

No

Is your nursing program accredited by the Accreditation Commission for Education in Nursing?

Yes

Is your nursing program accredited by any other specialized nursing accrediting agency that is nationally recognized by the U.S. Secretary of Education to accredit nursing education programs, as defined in Ch. 2014-92, *Laws of Florida*?

No

If yes, please provide the name of this agency:

Nursing Education Program Type

Please select the type of nursing program you are reporting for this NCLEX code.

Associate Degree in Nursing Program (ADN)

Nursing Education Curriculum Type-ADN

Please select all curriculum options that are offered for your ADN program.

Generic/Traditional Curriculum
 Bridge Curriculum (LPN to RN, EMT to RN, etc.)

Curriculum Check-ADN Generic & Bridge

Your response indicated that you operate both an **ADN Generic** and a **Bridge** track program. Is this correct?

(If you select no, please go back to the curriculum track question to adjust your answer.)

Yes

Nursing Program Capacity Information-ADN Generic/Traditional

Please provide information about your program's capacity (available seats) during academic year 2013-14, defined as Fall (August/September) Semester 2013 through Summer (July/August) Semester 2014.

Please use the definitions below to complete the table.

	Academic Year 2013-14
Total Number of Student SEATS <i>(The number of student seats that were available for new and returning students in academic year 2013-14.)</i>	102
Number of Student SEATS Added <i>(Of the total number of student seats indicated above, how many of these were added in the 2013-14 academic year?)</i>	27

If you need to provide additional information about numbers reported in this table please provide it in the box below.

Nursing Program Admissions Information-ADN Generic/Traditional

Please provide information about your program's admissions during academic year 2013-14, defined as Fall (August/September) Semester 2013 through Summer (July/August) Semester 2014.

Please use the definitions below to complete the table.

	Academic Year 2013-14
Number of APPLICATIONS RECEIVED <i>(The number of students that submitted applications for admission in academic year 2013-14.)</i>	161
Number of QUALIFIED APPLICANTS <i>(The total number of the applicants indicated above who met the minimum admission standards.)</i>	147
Number of Students ADMITTED <i>(The number of the qualified applicants indicated above that you admitted (offered a seat) to the program; this includes both students who were newly admitted and students who were re-admits, i.e., those students who were previously in the nursing program, dropped out, and had to reapply for admission to the program.)</i>	101
Number of ADMITTED/NEW Students who Enrolled <i>(The number of the admitted students indicated above who enrolled for the first time in the program. Enrolled means that the student registered for course work and paid his/her fees.)</i>	99

If you need to provide additional information about numbers reported in this table please provide it in the box below.

Nursing Program Total Enrollment and Graduates ADN Generic/Traditional

Please provide information about the total number of students enrolled in your program and the total number of students who graduated from your program during academic year 2013-14, defined as Fall (August/September) Semester 2013 through Summer (July/August) Semester 2014.

Please use the definitions below to complete the table.

	Academic Year 2013-14
Total Number of Students ENROLLED <i>(This includes new students who enrolled and returning students who were enrolled during the 2013-14 academic year.)</i>	102
Total Number of Students GRADUATED <i>(This includes all students who graduated at any time during the 2013-14 academic year.)</i>	53

If you need to provide additional information about numbers reported in this table please provide it in the box below.

Retention-ADN Generic/Traditional

As of Fall 2014, did your nursing program have students enrolled for at least a year?

Yes

Retention-ADN Generic/Traditional (continued)

For student retention purposes, please identify the term in 2013 for which your cohort started.

Please note the terms refer to Spring 2013, Summer 2013, Fall 2013, or Other 2013.

Fall

For the cohort identified above, how many students newly enrolled in 2013?

Newly enrolled means that the student has not previously completed credit hours in a nursing program.

99

Retention-ADN Generic/Traditional (continued)

Of the 99 newly enrolled students reported in your Fall 2013 cohort, what is the status of these students as of 2014? Provide the status using the following categories:

Please note that the total of each of these categories must equal the total newly of enrolled students for the cohort.

	As of 2014
The number of students still enrolled	64
The number of students who graduated	0
The number of students who left without finishing	28

Additional Comments
