9. 12-Month Reporting Period

Your 12-Month Reporting Period

Questions about enrollment, applications, and graduations refer to a 12-month reporting period — traditionally October 16, 2013 to October 15, 2014. To make this form easier to use, you may now choose to use either the traditional reporting period or an alternate reporting period.

Tip! For greater convenience, choose the reporting period closest to the one used by the other agencies to which your school reports statistics.

Please select a 12-month reporting period:

August 16, 2013 to August 15, 2014

10. Fall-Term Census Date

Your Fall-Term Census Date

Questions about student and faculty demographics will refer to a Fall Term Census Date — traditionally October 15, 2014. You may now select either October 15 or an alternate date between July 1 and October 31, 2014.

Tip! For greater convenience, choose the date closest to the one used by the other agencies to which your school reports statistics.
