Dear Ms. Corso:

This letter is formal notification of the action taken by the Accreditation Commission for Education in Nursing (ACEN) at its meeting on December 9, 2014. The Commission extended continuing accreditation to the paramedic-to-RN program option of the associate nursing program with monitoring of Standard 2 Faculty and Staff and Standard 6 Outcomes following the onsite review. A monitoring report for Standard 2 Faculty and Staff and Standard 6 Outcomes is due to the ACEN by December 1, 2015.

Dr. Abigail Gerding is the professional staff member who works with programs submitting monitoring reports. Let me encourage you to contact Dr. Gerding by phone at (404) 975-5008 or by e-mail at agerding@acenursing.org for information related to the preparation and submission of the monitoring report.

A copy of the Focused Visit Report is enclosed. If you have questions about this action or about ACEN policies and procedures, please contact me.

Sincerely,

Marsal P. Stoll, EdD, MSN
Chief Executive Officer
