### FGC Goals for Student Achievement and Student Success

Florida Gateway College sets student achievement goals using a number of key performance indicators and evaluates student success in achieving these goals. Target performance goals are set and monitored for a number of criteria, including:

- Retention and Success Rates
- Program Completions
- Graduation Rates
- Course Success Rates
- Articulation and Transfer Performance
- Licensure Pass Rates in Specific Occupational Programs
- Occupational Program Job Placements

The benchmarks for the above criteria have been established using state-supplied baseline data from the Florida College System Strategic Plan; internal historical baseline data and goals for improvement; and expectations set forth by various initiatives, including the college's Quality Enhancement Plan, grants, etc.
