Notes: 2011-12 Vocational Program Completers and Leavers from the Student Data Base were matched by College, Program CIP and Student ID to the 2011-12 FETPIP AA2 Follow-up file.

Leavers are defined as students who were enrolled in 2011-12, but did not complete the program in which they were enrolled during 2011-12 and did not return to the institution in 2012-13. Number in Pool is defined as the number of records with useable match data. It excludes records with exceptionalities, without positive outcome data, non-resident aliens, undeterminable and unusable data, and those reported as incarcerated.

Number Placed is defined as the number of records deemed training related by virtue of related work, continuing education, or military service.
