

PROGRAMS OF STUDY

ASSOCIATE IN ARTS DEGREE

Associate in Arts (AA) Degree - The AA degree is designed for transfer to an upper division college or university. An AA degree requires the completion of 60 college credit hours, including 36 credits of general education and 24 credits of electives. Please see the college catalog for additional specific requirements relative to the AA degree.

Associate in Arts	LIBA
-------------------	------

ASSOCIATE IN SCIENCE DEGREE

Associate in Science (AS) Degree - The AS degree is designed to prepare students to enter a career upon completing the degree with no further study required. Some AS programs are transferable to a state college/university program from which to continue education. Please see the college catalog for additional specific requirements relative to the AS degree.

Biotechnology	BIOT
Business Administration	BAVM
Computer Information Technology	CITN
Computer Programming and Analysis	CPVM
Criminal Justice Technology Corrections	CRJC
Criminal Justice Technology General	CRJL
Criminal Justice Technology Law Enforcement	CRLE
Early Childhood Education	EECE
Emergency Medical Services ¹	EMSD
Engineering Process Technology: Adv. Manufacturing	EGTM
Engineering Process Technology: Quality	EGTQ

Environmental Science Technology	ENST
Graphic Design Technology	GRAT
Health Information Technology	HIMT
LPN-RN Bridge Fast Track ¹	BRFD
LPN-RN Bridge Traditional ¹	BRTD
Paramedic to RN ¹	BRPD
Physical Therapist Assistant ¹	PTAD
Registered Nursing ¹	NRVD
Respiratory Care Technology ²	RCTT
Supply Chain Management	SCML
Veterinary Technology ²	VETT

APPLIED TECHNOLOGY DIPLOMA

Applied Technology Diploma (ATD) - Courses that are part of an AS degree and lead to employment in a specific occupation. An ATD may consist of either career and technical credit or college credit.

Medical Coder/Biller	MCDG
----------------------	------

Medical Record Transcribing	MTRN
-----------------------------	------

COLLEGE CREDIT CERTIFICATE

College Credit Certificate (CCC) - Also known as Postsecondary Vocational Certificate, this is a program that provides instruction consisting of college-level courses to prepare students for entry into employment.

Accounting Technology	ACGC
Business Management	SBMD
Child Care Center Management	CCCM
Child Care Center Mgmt-Infant/Toddler Specialization	CCCM/ITSC
Child Care Center Mgmt-Pre School Specialization	CCCM/PSSC
Child Care Professional	NONDEGCC/CCPC
Competency Based Teacher Certification	CBTC
Computer Office Specialist with Programming	COSP
Computer Support Specialist with Programming	CSSP
Emergency Medical Technician - Basic ¹	EMBD
Engineering Technology-Support Specialist	ETCC

Graphic Design Production	GDPD
Horticulture	HORT
Lean Manufacturing	LMFC
Lean Six Sigma Green Belt	ETGB
Logistics and Transportation Specialist	LTSC
Network Infrastructure	CSNI
Paramedic ¹	PARD
Pneumatics, Hydraulics & Motors for Manufacturing	PHMC
Six Sigma Black Belt	ETBB
Video Game Design	CGAC
Water Quality Technician	WQTC

¹ - Limited Access/Limited Enrollment/Special program admission requirements – See college catalog/contact division.

² - Specialized program in partnership with another Florida College System institution. Please reference college catalog.

³ - Baccalaureate level – requires program application in addition to college admissions application.

OCCUPATIONAL CERTIFICATE

Occupational Certificate - The Occupational or Vocational Certificate represents the award for satisfactory completion of a job preparatory program of non-college level courses.

Applied Welding Technology	PMTV
Correctional Basic Recruit	BCRD
Correctional Officer to Law Enforcement Basic Recruit	XCLD
Cosmetology ¹	COSM
Cosmetology Facial Specialist	CSPE
Cosmetology Nail Specialist	CSPN
Firefighter Minimum Standards ¹	FIRF
Fire Science Apparatus Operator ¹	FPOD

Heating and Air Conditioning Technology	ACRV
Law Enforcement - Basic Recruit	BLED
Law Enforcement to Correctional Officer Basic Recruit	XLED
Patient Care Assistant	PCAT
Patient Care Technician	PCTN
Phlebotomy	PBTM
Practical Nursing ¹	LPND

BACHELOR OF SCIENCE

The Bachelor (Baccalaureate) of Science degree is awarded for successful completion of undergraduate curriculum at a four-year college or a university. A Bachelor's degree requires completion of degree program requirements as specified by the college or university. Please see the college catalog for specific requirements relative to the BS Degree.

Nursing (RN-BSN) ³	UBSN
-------------------------------	------

Early Childhood Education ³	UBEC
--	------

BACHELOR OF APPLIED SCIENCE

The Bachelor (Baccalaureate) of Applied Science degree is awarded for successful completion of undergraduate curriculum at a four-year college or a university. A BAS is designed to accommodate the unique demands for entry and advancement within specific workforce sectors. A Bachelor's degree requires completion of degree program requirements as specified by the college or university. Please see the college catalog for specific requirements relative to the BAS Degree.

Water Resources Management	UWRM
----------------------------	------

NON-DEGREE/PERSONAL ENRICHMENT

Individuals who are not seeking a degree and wish to take courses for personal enrichment should indicate a program of NONDEGCC (for college credit courses) and NONDEGVO (for vocational courses).

Non-degree for college credit courses	NONDEGCC
---------------------------------------	----------

Non-degree for vocational courses	NONDEGVO
-----------------------------------	----------

¹ - Limited Access/Limited Enrollment/ Special program admission requirements – See college catalog/contact division.

A limited access program utilizes selective admission to limit program enrollment. Certain degree programs are deemed "limited access" due to: resource limitations (space, facilities, faculty, etc.); the program is of such a nature that applicants must demonstrate through an audition or portfolio that they already have the minimum skills necessary for them to benefit from the program; or the program is of such a nature that in order to demonstrate potential success in the program, applicants must attain a grade point average (GPA) and/or other standards (e.g. standardized test scores) that are above those required for admission to the college or university offering the program. These programs require students applying for admission to complete all the program pre-requisites and meet other limited access admission standards.

² - Specialized program in partnership with another Florida College System institution. Please reference college catalog.

³ - Baccalaureate level – requires program application in addition to college admissions application.

Excess Hours Statement: Section 1009.286, Florida Statutes, establishes an "excess hour" surcharge for students seeking baccalaureate degrees at state universities. It is critical that students, including those entering Florida College System institutions, are aware of the potential for additional course fees. For the 2012-2013 academic year and thereafter, "excess hours" are defined as hours that go beyond 110% of the hours required for a baccalaureate degree program. For example, if the length of the program is 120 credit hours, the student may be subject to an excess hour surcharge for any credits attempted beyond 132 credit hours (110% x 120).

All students whose educational plan may include earning a bachelor's degree should make every effort to enroll in and successfully complete those courses that are required for their intended major on their first attempt. Florida College System students intending to transfer to state universities should identify a major or "transfer program" early and, by the time the student earns 30 semester hours of college credit, be advised of admission requirements for that program, including the approved common prerequisites. Course withdrawals and/or repeats, as well as enrollment in courses nonessential to the intended major, may contribute to a potential excess hours surcharge.

Florida Gateway College is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award the baccalaureate and associate degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call 404-679-4500 for questions about the accreditation of Florida Gateway College. The Commission is to be contacted only if there is evidence that appears to support an institution's significant non-compliance with a requirement or standard. * FGC will adhere to all applicable federal, state, and local laws, regulations, and guidelines with respect to providing reasonable accommodations as required to afford equal educational opportunity. Students may obtain further assistance and information by calling Janice Irwin, Coordinator of Disability Services, at (386) 754-4215. The Disability Services Office is located in Building 017, Room 021, 149 SE College Place, Lake City, Florida 32025. * Florida Gateway College does not discriminate in education or employment related decisions on the basis of race, color, religion, national origin, gender, age, disability, marital status, genetic information, or any other legally protected status in accordance with the law. * The Equity Officer is Sharon Best, Director of Human Resources, 149 SE College Place, Lake City, FL 32025, and may be reached at (386) 754-4313.
