Dear Dr. Hall: *Church,*

Section 1007.33, Florida Statutes, was revised in 2009 codifying additional requirements for both the Department of Education and the colleges, including a prescribed time line for the actions related to the baccalaureate proposal approval process for colleges within The Florida College System.

On June 21, 2011, the State Board of Education (SBE) meeting resulted in a decision regarding the baccalaureate program proposal originally submitted by your college on May 25, 2011.

Degree Program(s)	SBE Decision	Implementation
• BS Degree in Nursing	Approved for Implementation	Fall 2012

We offer our congratulations to you and your staff on the tremendous effort expended over the past months, and on the much-anticipated outcome resulting from the SBE meeting. We look forward to following the progress of the activities that will occur prior to implementation of your programs. Please let us know how we can continue to support you in your efforts.

Sincerely,

Willis N. Holcombe

Dear Dr. Hall:

I am pleased to inform you that on March 18, 2014, the State Board of Education approved the following baccalaureate program proposal submitted by your college.

Degree Programs	SBE Decision	Implementation
• BAS in Water Resources Management	Approved for Implementation	Spring 2015

We offer our congratulations to you and your staff on the tremendous effort expended in the development of this program. We look forward to following the progress of the activities that will occur prior to implementation of your program and to the success of the future graduates. Please let us know how we can continue to support you in your efforts.

Sincerely,

Randy Hanna
