**Due to the increase of Identify Theft our office will only be able to provide students with general financial aid information over the phone. If you have any detailed questions about your account please come to our office with your picture id for assistance

***If you have not filed your FAFSA application for summer 2014-2015, it is not oo late to file for the summer term.

Financial aid priority deadline to turn in all documents for summer is April 3, 2015. You can still apply for financial aid for summer after this date; however, you will need to pay your tuition up front since your aid will not be available by the May 7, 2015 due date to pay.

NOTIFICATION OF SOCIAL SECURITY NUMBER COLLECTION AND USE: In compliance with Florida Statute 119.071(5), Florida Gateway College issues this notification regarding the purpose of the collection and use of your Social Security number. FGC collects your Social Security number for use in performance of the college's duties and responsibilities. To protect your identity, FGC will secure your Social Security number from unauthorized access. FGC will never release your Social Security number to unauthorized parties, and each student at FGC will be issued a unique student identification number. Your unique student identification number is used for all educational purposes at Florida Gateway College including registration, access of your online record, etc. Federal legislation relating to the Hope Tax Credit requires that all postsecondary institutions report the Social Security number of all post-secondary students to the Internal Revenue Service (IRS). This IRS requirement makes it necessary for colleges to collect the Social Security number of every student. A student may refuse to disclose his/her Social

Security number to the college, but refusing to comply with the federal requirement may result in fines established by the IRS. In addition to the federal reporting requirements, the public school system in Florida uses the Social Security number as a student identifier. This use is authorized in Florida Statue 229.559 and in School Code Section 1008.386. In a seamless K-20 educational system, it is beneficial for postsecondary institutions to have access to the same information for purposes of tracking and assisting students in the transition from one educational level to the next. All Social Security numbers are protected by federal regulations and are never released to unauthorized parties.
