Information about your Personal Identification Number (PIN)

If you are logging into MyFGC for the first time...
Enter your FGC-assigned 8-digit User ID and your PIN. Your default FGC-assigned PIN is your date of birth in the format MMDDYYYY. Example: If your birthdate is January 3, 1990, your default PIN is 01031990.

If you have used MyFGC before but do not remember your PIN...
Enter your User ID, leave PIN blank, and click on **Forgot PIN?**. You will be directed to a page to answer each of your Security Questions followed by a page to enter your new PIN.

If you have used MyFGC before and your PIN is less than 8-digits in length...
PINs must now be between 8 and 16 characters in length and consist of only numbers and/or letters, no special characters. When you **Login** you will be directed to a page that will require you to change your PIN.

When finished, click on **Login**. You will be prompted to change your PIN and to provide two Security Questions and answers.

Please note...
If you are a student, this PIN is also used for both your Wolves e-mail and Blackboard accounts. **From the time you reset this PIN there could be up to a 90 minute wait before it takes effect on these accounts.**

Please remember to protect your privacy; when you are finished click on **EXIT** and close your browser.
